AMENDMENT TO APPLICATION

The Applicant, East Kentucky Power Cooperative, Inc., hereby amends Paragraph No. 8 in its Original Application filed herein on December 8, 2005 to read as follows:

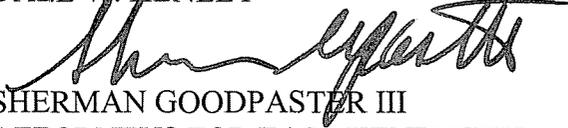

8. The permits required for this project include a highway-crossing permit from the Kentucky Transportation Cabinet, Department of Highways, ("KDOT"), a permit from the Kentucky Airport Zoning Commission ("KAZC"), and a Special Use Permit from the United States Forest Service ("USFS"). A copy of the KDOT permit was submitted in the initial application in Case No. 2005-00089 and reference is made to that submittal for an explanation of this permit. However, a copy of this permit was resubmitted as **Exhibit V** to the Application.

The KAZC permit filed with the Commission in Case No. 2005-00089 as Exhibit A to the Amendment to Application has since expired and a re-issue of this permit has been received from the KAZC. A copy of this re-issued permit is attached hereto as **Exhibit V₁**.

The Applicant hereby adopts, restates and reiterates each and every other paragraph and statement contained in its Original Application.

Respectfully submitted,
